

Recycling Program in Texas

AG Neovo LCD Display Recycling Program

For all AG Neovo LCD display throughout Texas, we will accept AG Neovo Branded LCD display equipment for FREE recycling and this is only for display with the AG Neovo brand label on it. Customer does not have to pay a separate fee at the time of recycling; you may fill out a Recycling RMA Request Form or [contact us](#) for a pre-paid shipping label. We will review your request and if it meets the requirements listed above, we will send you a FREE shipping label to ship your AG Neovo LCD display to a designated recycling location and it takes 2 weeks to process your request.

Program Coverage

Products covered by the AG Neovo Technology Recycling Program include AG Neovo Technology brands of LCD display only, other brands will be accepted but a fee may be charged by us for non-AG Neovo brands.
